ALLAN'S LANDSCAPING LTD.

Edging provides clear and durable boundaries for garden beds, walkways, and patios, effectively keeping mulch, soil, grass and decorative stones contained.

Edging Benefits:

- Distinct edges ensuring a neat and well-defined landscape
- Are flexible
- Easy to install
- Offer a long-lasting solution that resists weathering and damage
- Creates a smooth mowing strip, simplifying routine lawn maintenance and giving your yard a polished, professional look
